

Bowl mops, caddies and plungers make washroom maintenance less of a chore. Hand held bowl mops and brushes allow for detailing tough jobs.

ACRYLIC BOWL MOPS

- features a 14" polyethylene handle with a 4" diameter
 - 100% soft acrylic fibre head, all white
- * order PN # 906 bowl mop bunny tail
890 bowl mop with squeeze cap

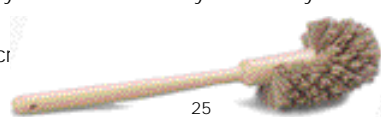

SANITARY CADDY

- caddy for mop and bowl cleaner
 - mop (ideal for 906) fits in a separate, enclosed compartment
 - up to a 1 litre container fits on front compartment and is held with an adjustable plastic lock
 - easy carry handle
- * order PN # 780 sanitary caddy

BOWL BRUSHES

Turks Head

- aggressive polypropylene fill in a sanitary and sturdy rigid handle
 - primarily used for scrubbing
- * order PN # 25

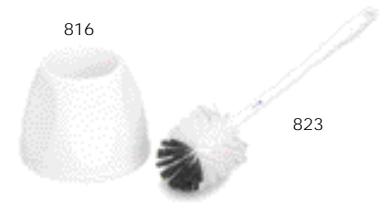

Double Action

- round double action bowl brush
 - reinforced black top is used for the more difficult areas
 - round construction allows you to reach into all areas of the toilet bowl
- * order PN # 823
- light-duty bowl brush, polyethylene handle
 - twisted wire with white tampico head
- * order PN # 922

Bowl Brushes are not recommended for use with acid bowl cleaners. To avoid accidental splashing of product in eyes, please note that it is advisable to use only the 906 and 890 bowl mops for this application.
