

RUNWAY STRIPPER

- concentrated, non-ammoniated heavy-duty stripper
- contains highly-active wetting agents and penetrants
- use with rotary machine or an automatic scrubber
- versatile, effective on all water-based finishes
- highly alkaline, highly concentrated (29% actives) for faster and effective stripping
- lifts dirt and built-up floor finishes free from any surface
- works with cool or cold water (do not use hot water)
- user friendly, safe solvents

* order PN # 10300 - 4l
10310 - 20l

PROBLEM SOLVER

- jelled, heavy duty cleaner
- designed for wax removal and soil build-up from baseboards and vertical surfaces
- economical, non-drip formula
- removes multiple layers of wax in single application, including metal interlocks and carnuba
- does not contain harmful abrasives and is non-flammable
- suitable for vinyl, ceramic, quarry tiles, cement, terrazzo and grout joints

* order PN # DA239 - 20 oz

STRIP-ALL Floor Stripper

- free rinse, highly active stripper
- no scrubbing required
- designed to easily remove all types of floor finishes from all types of floors
- can be used with floor machine or simply mop on and mop off
- works with cold or cool water (do not use hot water)
- odour free, butyl free and non combustible
- fast acting and easy to use

* order PN # 10250 - 4l
10260 - 20l
