

X-TRACT CARPET CLEANER

- for use with water extraction steam cleaning equipment on all types of carpeting
- safe to use on new generation of stain resistant carpets
- low foaming, prevents rapid re-soiling
- contains water softening agents
- versatile, powerful even when diluted
- pleasant fragrance, eliminates odours in carpets

* order PN # 50000 - 4l
50050 - 20l

WALK-AWAY CARPET PRE-SPRAY

- positive emulsion cleaner
- free rinsing with no after-film or soiling attraction
- can be used as carpet pre-spray, traffic lane cleaner or with bonnet cleaner
- low foaming, emulsifies and dissolves grease and oil
- contains safe solvents, moderate PH level
- versatile, economical and ready to use

* order PN # 50300 - 4l

ELIMINATOR

- cleaning compounds and degreasers quickly remove stains caused by grease, oil, dirt, salt, coffee, alcoholic beverages, chocolate, urine, blood and vomit
- powerful deodorizers, with malodour counteractants, penetrate and clean to leave a fresh odour as it restores nap and texture
- use on synthetics, wool, nylon, blends, shag and draperies.

* order PN # DA106 - 511g (20oz) aerosol

ULTRA DRY

- safe for use on all colour-fast materials and upholstery
- high foaming prevents over wetting allowing for faster drying time
- dries to powder, easily picked up with wet pickup vacuum
- biodegradable, pleasant fragrance
- safe solvents help to dissolve soils and stains
- pleasant fragrance

* order PN # 50200 - 4l

SUPPRESS DEFOAMER

- controls and reduces foam in either acidic or alkaline solutions
- for use in hot and cold foaming systems, automatic scrubbers, steam and water extraction equipment
- extends usefulness of detergent solutions
- reduces time spent emptying recovery tank
- efficient performance at any temperature

* order PN # 50100 - 4l

MOCA

- water soluble, multi-purpose odour counteractant
- works long after its initial fragrance is gone
- effectively counteracts smoke, urine, fecal, animal, cooking and mildew odours
- may be used as general purpose wipe-on or damp mop cleaner as well as in extraction and rotary-type fabric cleaning

* order PN # 40000 - 4l

PRIME TIME SPOT REMOVER

- concentrated spot and stain remover
- removes most organic stains on carpet upholstery and soiled laundry
- mild synthetic detergents for all colourfast carpets
- low foaming, emulsifies and removes water and petroleum soluble spots
- ready to use, no dilution required

* order PN # 50400 - 6x946 ml cs
