

LOCK UP

- anti-static dust control liquid
- designed to magnetize dust so that it can be more easily picked up
- safe to use on all types of floors except unwaxed asphalt tile
- highly concentrated, ready to use
- petroleum based for maximum performance
- does not encourage mold or mildew growth
- designed for dust mop or cleaning cloth applications

* order PN # 40100 - 4 litre

LEMON OIL POLISH

- cleans easily and leaves high sheen on furniture
- produces dust-free protective film on wood, metal, formica, plastic and vinyls
- will not leave build-up that will attract dirt
- restores natural oils to wood and will not harm fine woods or furniture

* order PN # DA323 - 20 oz

LEMON WAX FURNITURE POLISH

- formulated to clean easily and leave a high shine on furniture and veneers
- restores natural oils to wood
- can be used on porcelain, ceramics and metals
- fresh, clean, lemon fragrance deodorizes use areas
- contains synthetic wax and natural lemon oil

* order PN # DA077 - 20 oz.

Dusters & dust mops found on page 65

OIL-BASED SWEEPING COMPOUND

(Not Shown)

- recommended for use on sealed or unsealed rough surfaces, primarily wood or concrete where ingrained dirt is a problem
- contains a high level of abrasive power
- petroleum based for maximum dust attraction

* order PN # 80000 - 25 kg;
80100 - 135 kg.

ASSERT DRAIN OPENER

- for use on slow moving drains or as a drain-line maintainer
- * **Note:** will not clear completely obstructed drains
- highly active acid-based product
- de-stains and descales quickly
- economical, ready to use, odourless
- removes rust and lime encrustations from drain lines
- works effectively on organic waste, grease, fats, sludge, paper, rags, soap, food particles and detergent build-up

* order PN # 60700 - 12 X 1 litre

DUST MOP TREATMENT

- dusts, cleans and polishes in single action
- spray directly onto dust mop or cloth
- prevents germ-bearing particles from scattering
- for use on furniture, radiators, venetian blinds, woodwork, wood floors, window frames and sills
- spray on air conditioner filters after cleaning to prevent dust and pollen from entering the room

* order PN # DA374 - 20 oz.

GUM-FREE

- freezes gum and wax into a brittle state without damaging surface
- for use on all porous and non-porous applications
- economical to use, spray is isolated to problem areas

* order PN # DA-084 - 12 oz size
