

BEVERAGE CARRIERS

- ConServ beverage carriers feature a self-venting lid design, true one handed entry, leak-proof spigot and more insulation to hold contents at temperature longer
- completely metal-less design eliminates unsightly rust and corrosion and is perfect for water front and resort properties as well as the cruise line industry
- stackable with the competition
- two sizes of ConServ carriers allow lids, latch mechanism and spigots to be interchangeable for flexibility in the field
- spigots are nested within the profile of unit to prevent accidental damage in transit or storage
- ideal for catering, hotels, motels, office, restaurants, cafeterias, breakrooms, meeting rooms and convention centers
- NSF listed

Available in beige, black or brown
 * order PN # 9702 (2.5 gallon capacity)
 9705 (5 gallon capacity)

shown with 9701 as condiment tray

CONDIMENT/RISER BIN

Optional (fits both models)

- two items within one design
- as a condiment tray: (shown in top photograph) will neatly organize napkins, stir sticks, straws, powdered sugars, sweeteners, and creamers
- as a Riser (as shown here) : reverse unit and set carrier on top
- raises unit allowing for access of large capacity cups, glasses, carafes and globe style urns

* order PN # 9701
Available in beige, black or brown

9705 shown with 9701 riser

Some colours/sizes may be special order. Please contact your customer service department for details.

ICE BINS

- metal free bin and lid designed to eliminate unsightly rust and corrosion
- ideal for water front and resort properties
- patented multi-position, self-storing lid allows for greater access to bin contents while preventing lid contamination
- double wall construction and extra heavy insulation will hold ice and product temperature for days
- built-in, front assist handle allows for easy vehicle loading and unloading
- easy to access and leak-proof drain faucet is nested within the profile of the body to prevent accidental damage
- both capacities share interchangeable lids, faucet and internal drain trays
- ergonomic handles and large 10" dolley-style rear wheels allow units to be easily rolled and maneuvered over grass, tile or up curbs or steps

Available in beige, black or brown
 * order PN # 9725 (125 lb. capacity)
 9720 (200 lb. capacity)
