## RUBBER TIRE LINK MATS

### TUF LINK

- rubber link mats provide safe, sure footing in wet or slick work areas
- anti-fatigue qualities/excellent scraper
- the rubber links (5/8" x 2 1/2" x 3/4") are woven on heavy-duty 12-gauge galvanized steel wires.
- excellent trapping qualities for snow slush and mud
- will wear exceptionally well for years and are equally suitable for homes, businesses or institutional entrances.
- under greasy or oily conditions these mats may deteriorate quickly; they are not recommended for use where high concentrations of oil or grease may be present.

**NOTE:** These mats should be "rolled" when it is necessary to move or clean under them, as the wires may be bent if lifted from a corner. Available in black only; custom sizes and stock sizes available 16x23" ; 18 x 28" ; 36 x 60" ; custom sizes (limited availability)
