- pebble brown, burgundy, charcoal, evergreen, and steel blue

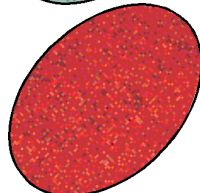

**Scraper Features:**

Designed for use in protected exterior areas, ideal for entrances  
Tough, abrasive surface creates scraping effect which removes heavy debris  
Non-absorbing properties allow moisture to run-off or evaporate  
Debris settles to bottom of mat

**Wiper / Scraper:**

Designed to moderately dry and wipe feet, scraping away remaining debris  
Irregular high low mat surface forces the dirt particles to fall in between crevices allowing the cleaning process to continue

**Wiper**

Final touch to protection of your interior flooring  
Mat dries the shoe  
With heavy dirt and debris cleared by the scraping and wiper/scraping process, wiper mat thoroughly dusts and dries footwear
