

Cushion Step Industrial Deck Plate with yellow borders

Cushion Step Solid Black

CUSHION STEP: INDUSTRIAL DECK PLATE

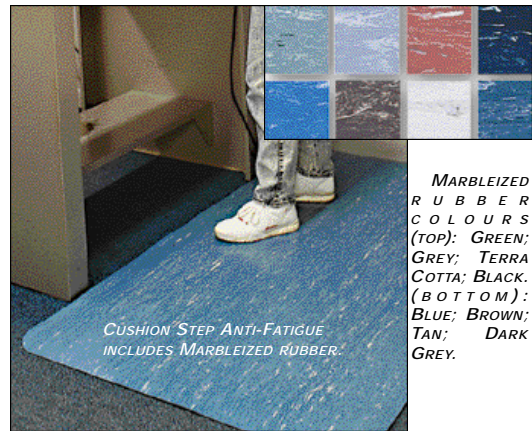

- convex diamond patterned surface provides comfort and safety
- provides superior traction and wear capabilities
- resistant to most common fluids and chemicals
- industrial grade, thick, black, sponge base relieves fatigue
- vinyl deck-plate surface is easy to clean and will not get clogged with dirt
- bevelled edging on all four sides reduces trip hazard
- also available with yellow borders for safety awareness.
- overall thickness is 9/16".
- ideal for shipping/packing areas; industrial work stations; factories and assembly lines; machine shops; and anywhere workers would benefit from comfort and safety when standing.

* see chart below for sizes available

CUSHION STEP: VINYL OR RUBBER

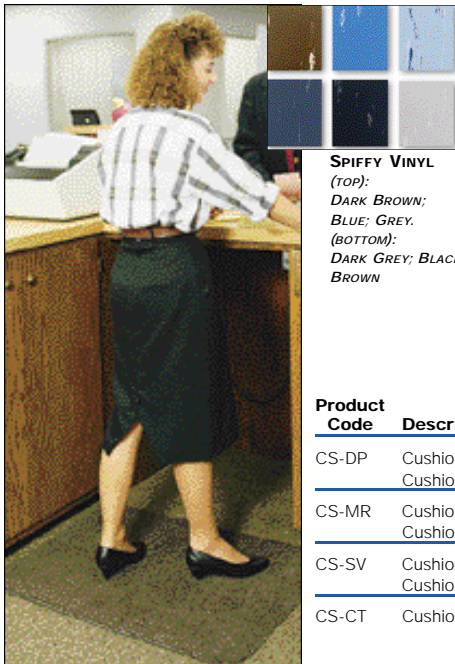

- where smooth surfaced anti-fatigue mats are needed, choose from two wear resistant surfaces: Marbleized rubber or Spiffy vinyl
- both laminated to a foam base to provide 1/2" of cushioned thickness
- both surfaces resist all common acids and alkalis; and most greases, oils and organic solvents if removed promptly
- bevelled edges and rounded corners help mats lay flat for added safety and comfort.
- ideal for use at cashier stations, pharmacies, nursing stations, service stations to name a few.

Note: vinyl is easier to clean because dirt and other particles do not cling to it. Vinyl is also more puncture resistant than rubber.

MARBLEIZED RUBBER COLOURS (TOP): GREEN; GREY; TERRA COTTA; BLACK. (BOTTOM): BLUE; BROWN; TAN; DARK GREY.

CUSHION STEP ANTI-FATIGUE INCLUDES MARBLEIZED RUBBER.

SPIFFY VINYL (TOP): DARK BROWN; BLUE; GREY. (BOTTOM): DARK GREY; BLACK; BROWN

CUSHION STEP: CARPET TOP

- polypropylene carpet top laminated to 5/16" of vinyl foam sponge
- provides superb cushioning to relieve leg and back strain
- bevelled foam backing around perimeter helps mat lay flat, reducing trip hazards.
- choose any Proluxe colour to add stylish decor to any room.
- **CUSHION STEP CARPET TOP** is recommended for use in a carpeted decor environment rather than in a hard floor surface
- ideal applications include bank tellers, cashier stations and service counters.
