

## DRIVE DISCS

### Universal Drive Block

- moulded polymer pad face
- individual hooks grip into the threads of a floor pad to hold it securely
- solid block includes built-in riser and showerfeed holes for solution dispensing applications
- outer solution ring ensures proper feed of solution through drive block (eliminates splashing over outer edges)

786759 - 19"  
786760 - 20"

Shown with Riser and NP9200 clutch plate

### Riser

- designed for use with High Speed Drive Disc listed above
- rubber cushion insert for high speed applications

780071 high speed riser

### REPLACEMENT FACES (FOR DRIVE DISCS ONLY)

- standard replacement faces fit universal and high speed drive discs listed above
- see chart for appropriate part number

786913 - 13"	786917 - 17"
786914 - 14"	786918 - 18"
786915 - 15"	786919 - 19"
786916 - 16"	786920 - 20"

### Clutch Plates (all 5" centre holes)

- NP-47 Clutch plate, for use on ADVANCE MACHINES (plastic)
- NP9200 Clutch plate, universal (plastic) fits Michaels machines and most others

## ROUND HANDLED WATER TANK

- designed for use on floor machines with round handles
- durable polypropylene
- handle-mounted for efficient use
- 9L (2.4 US gal) capacity

\* order PN # 19201

## CARPET MAINTENANCE BONNETS

### Bonnet-Lok® System

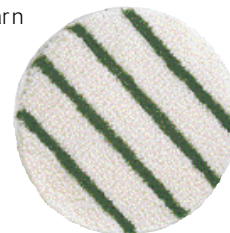

- unique design combines brush and bonnet pad in a single cleaning unit
- nylon bristles flex the carpet pile and loosen dirt while absorbent bonnet removes the surface dirt

- both brush and bonnet extend to edge of block, allowing bonnet to reach wall for maximum effectiveness
- Bonnets sold separately  
785017 - 17" driver only  
785057 17" bonnet  
785019 - 19" driver only  
782059 19" bonnet

## QUEEN BONNET WITH STRIPES

- medium profile bonnet
  - constructed of aggressive, yet absorbant, blended looped-end yarn
  - extra durability
  - ideal for medium to thick carpet
- N007015 - 15"  
N007017 - 17"  
N007019 - 19"

## SAND SCREENS

- silicon carbide coated screen
- open meshed synthetic fiber backing evenly coated with resin bond on both sides
- designed for wood sanding
- choose degree of aggressiveness required for your application

**Please note: other sizes and grits are available upon special request, contact your customer service representative for further details**

15"	Available in 60, 80, 100, 120 grit
17"	Available in 60, 80, 100, 120 grit
19"	Available in 60, 80, 100, 120 grit

**To better serve you, when ordering brushes, drive blocks and clutch plates, we require the Model number and Manufacturer of machine**

**Note: Certain products, sizes, colours may not be regular stock items. Please contact our order desk for complete details. Custom sizes may be available as special order, please inquire.**
