

J475

ORANGE LIQUID HAND SOAP

DESCRIPTION: This is an extra mild, very pleasantly perfumed, lotionized hand cleaner. It is enriched with new synthetic detergents to provide luxurious suds while being extra mild to the skin. The orange color of the product is enhanced by the pleasant scent of tangerine perfume. The high viscosity of this product ensures safety and economy when used with commercial dispensers.

DIRECTIONS: Wet hands thoroughly, apply hand soap liberally, work up a lather and rinse.
