## PINK LIQUID DISHWASH

**DESCRIPTION:** An effective dishwashing detergent designed for hand dishwashing under most water conditions. PINK LIQUID DISHWASH DETERGENT assures hygienically clean film free dishes with a minimum of time, effort and expense. Ideal for food plant use.

**DIRECTIONS:** For manual dishwashing use as required (60 ml./10 L) the amount may vary with water conditions. Food equipment and food contact items should be rinsed clean with potable water.

**NOTE:** Avoid contact with eyes as irritation may occur. Do not take internally.

The Agri-Food Safety Division, Agriculture Canada, has no objection to the use of this product in food plants when used according to label directions.
