

**INDUSTRIAL POWDERED HAND SOAP (Not Shown)**

- heavy-duty abrasives blended with coconut and vegetable oils leave skin feeling smooth and clean
- tough on soil, paint, grease and carbons
- ready to be dispensed from any powdered hand soap dispenser.

\* order PN # 57306 - 22 kg

**COMPLEXION LIQUID HAND SOAP**

- may be used in showers, washrooms or at work stations
- mild PH balance combined with soothing emollients
- produces excellent foam, will not leave soap residue
- use on hands, hair or as all-over body wash
- pleasant fragrance

\* order PN # 70100 - 4 litre

**SILK GLOVE LOTION SOAP**

- high quality lotion soap
- neutral PH is mild on skin, added smoothing emollients will not dry out your skin
- use on hands, hair or as an all-over body wash
- pleasant fragrance

\* order PN # 70100 - 4 litre

**PG LIQUID HAND CLEANER (Not Shown)**

- uses cosmetic-grade surfactants combined with deep cleaning action of synthetic beads
- will not settle and block drains, pipes or traps, nor will they settle when product is in storage
- aggressive enough to penetrate and remove deeply embedded soils but its plastic beads are more resilient, gentler and will not irritate the skin.
- opaque yellow liquid has a floral scent and a neutral pH

\* order PN # 70200 - 4.5 litre

**ORANGE ROUGH TOUCH****hand cleaner with volcanic pumice**

- natural citrus industrial grade hand cleaner provides high performance with lotion-like feel and mildness
- conditioners prevent drying, cracking and chapping
- use "centre-push" self-dispensing cannister alone or with a wall mounted dispenser
- removes grease & printer's inks, resins, carbon, tar, oil & asphalt, putty, graphite, dye, waxes

\* order PN # DC-341 - 4.5 lb cannister(6cn/cs)

**SCRUBS - IN - A - BUCKET**

- waterless, hand cleaning system that combines a high quality liquid hand cleaner with a heavy-duty, non-scratching, abrasive hand towel
- leaves hands clean, protected, residue-free and with a pleasant fragrance
- unique dispensing cannister
- towels do not transfer soils back on to skin
- effectively cleans tools and machinery
- non-toxic, does not irritate skin
- for use on grease and oil lubricants, adhesives, graphite, tar & asphalt, grass stains, coal dust, inks

\* order PN # DC-422 (6 cn/ cs)
